“ Yo me recuerdo que la primera vez que te escuche rancar el cortacesped. Triaba dos anos de edad al la mejor, y yo corri afeura para mirar que era ese ruido. Quando mire que estabas cortando el sacate, corri hacia ti para mirar que estabas haceindo y ayudarte. Yo me agache bajo de ti y agarre la barra bajo la tuya y empese a puchar el cortacesped contigo para ayudarte cortar el sacate. De este momento para adelante yo siempre te queria ayudar Apa. Cada vez que encontraba afuera trabajando en el carro, yo tambien me subia al carro contigo, con un destornillador, para pretender que te estaba ayudando un modo al otro. Estos son mis primeros recados de ti que siempre recordare Apa. Nunca me voy a olvidar me de ti Apa, y te voy a segir ayudando asta que ya no pueda mas. Yo te voy a cumplir tu deseos como te prometi. Te quiero con todo mi corazon Apa por siempre. Asta que nos miremos de vuelta.

I remember the first time I heard you crank the the lawn mower on. I was two years old I think, and I ran outside to see what that noise was. When I seen that you were cutting the grass, I ran towards you to see what you were doing and to help you. I ducked under you and I grabbed the lower bar under yours and started pushing the lawn mower with you to help you finish cutting the grass. From this moment forward I always wanted to help you Dad. Every time I found you outside working on the car, I too would get in the car with you, with a screwdriver, and pretend that I was helping you someway or another.

These are my first memories of you that I will always remember forever Dad. I'm never going to forget about you Dad and I'm going to keep helping you until I can do so no more. I'm going to complete your desires just like I promised you. I love you with all my heart Dad, forever. Until with see each other again.
