“ *Debbie,  
My name is Audrey. Joe may or may not have told you about me and our son. His name is Stephen Michael Welch. He was born 6/18/88. We moved to Florida in 1994. He is 27 years old. He looks exactly like his Father. Stephen was doing a search for Joe when he came upon his obituary. I wish that they had a chance to meet each other. I'm sorry for your loss.*

“ *Joe was great person. He moved us from Oak Ranch to our retirement home in Oak Tree Estates. After our recommendation he moved several other friends. We never got to meet Debbie but we enjoyed Susis K. We even gave him our cat we couldn't move. You are all in our prayers.*

“ Joe moved a piano for me - twice. I'd just like you, his loved ones, to know that his cheerfulness and energy and competence enriched my day. I would like to be like that - just spread cheer and make people feel "upbeat."

*I was so sorry to read of his passing. I am sorry for your pain, because it really hurts and feels unreal to lose someone you love. Just know that I think you were blessed to have this very special man in your life. God bless you now.*

*Sincerely, Mary Dickerson Frantz*

“ Joe moved my parents twice; he was very helpful and caring. We gave him mom and dad's picnic table which he admired for being so well built and sturdy. He wanted to build others for family and friends so I told him when I found the plans, I would forward them to him. I was in search of them just the other day when I heard of his passing. So very sad and much too young. Condolences to the family.

“ I am so sorry for your loss. Please know that you are never alone. You can find much comfort in the Holy Scriptures which assures us at Psalms 34:18 that God is near to those broken at heart and crushed in spirit. Please accept my deepest sympathies.
