“ Joe was a fellow member of Visalia Breakfast Lions for many years. One of the great characters whose name still comes up often in many of the clubs crazier exploits. One of his favorite tricks was to sneak a portable radio into meetings and turn it on full blast to drowned out who ever was speaking. Another favorite was to pour salt in your coffee while your back was turned...he got me with that one numerous times.

Joe was a good Lion and friend and his great sense of humor will be missed.

My condolences to his family.
