“ We were saddened to learn the passing of Joe. My condolences to Joe's family and close friends.

Joe had such a kind heart, quick wit, and a smile for me each and every day during my working days with him at COS.

Joe was always very dependable-if a building had no heat, or on a hot summer day without AC, he would come running to try and fix the problem.

Joe will be missed.

“ We were saddened to hear of Joes' passing and we send condolences to Joe's family...

On those super hot days when we'd put in a work order because the air conditioning was on the blink, and no way could you pay me enough to climb up on the roof, Joe would work without complaint until the problem was diagnosed and fixed, then leave with a cheerful "See you next time!"

He was appreciated very much at the COS Ag Farm and he kept the old facilities running until we left for the new facilities in Tulare. We will remember Joe Sweeny as a kind, soft-spoken, gentle man who always had a smile on his face. He will be missed.
