

## Joshua Tyler Green

April 21, 1991 - February 8, 2024

Joshua Tyler Green

April 21, 1991 to February 8, 2024

Joshua went home to be with the Lord on February 8th, 2024. He is survived by his Mom Patti Green, his Brothers Daniel and Matthew Green and his Sister Jennifer Clagg as well as his extended family and many friends.

Joshua graduated from La Sierra Military Academy in Visalia in 2010.

We find great comfort knowing Joshua is now in the loving, arms of his Dad David, PaPa & GiGi (his grandparents) and his Uncle Claude. Along with our many pets that he so loved.

"Joshey" may you rest in peace. You will remain in our hearts always and forever, until we meet again.

"Be strong & courageous. Do not be afraid; do not be discouraged, for the Lord, your God will be with you wherever you go." - Joshua 1:9

“ *Hard to believe that it's been a year! Such a hard year it's been. Missing your many voice impersonations that you would do, you reciting to me verbatim Forrest Gump, your laughter, your hugs.*

*I joined a support group this last week of people who have lost loved ones to depression/suicide. It was great to talk about you to others who can understand my pain.*

*I just miss you so much! ❤️ Mom*

“ Joshy, I keep seeing the cutest little blonde boy with the biggest smile running up and down the hills at Papa and Gigi's house. I am so grateful for all the wonderful memories we have of family gatherings and holidays. Our hearts are breaking but we know we will see you again one day. I know without a doubt you were greeted with open arms from your Dad, Papa, Gigi and Uncle Claude with his big bear hug. We will grieve, but we will also share so many wonderful stories and memories with each other. We will laugh and we will cry as we remember, mourn and keep your memory alive for generations to come. Josh, I know you are with the Lord, our Savior, and are at peace and that brings us so much comfort. I will miss you so much! I love you forever! Love , Auntie Rhonda

“ Josh, you were always the kindest, sweetest boy, and as your sister I feel privileged to have watched you grow from a tiny baby to a man. I will always remember our outings, how you, Dan and I would go to the movies when I visited, and your visit to our home in Davis and in Utah. I miss you so much and look forward to seeing you again someday. I love you.

“ *The first time I met Josh was that Lasierra. This is where our son attended high school his junior year. Josh assured me that our son was in good hands with him as they were in the recon program. I remember that day as if it were yesterday. May you rest in peace. Lori, David’s mom*

“ *Josh I can’t believe you’re gone brother. You were a good friend and was always there to lend a helping hand. If you still lived here... you know you would’ve still been here with us today. You will be missed! Never forget who were the real ones that had your back solid brother! Your Mom never gave up on you and you already know she loved you unconditionally*

*Josh, you will always be that little blonde firecracker full of life and adventure in my eyes. Your gentle loving soul was infectious, even when you were a little mischievous. I know who was waiting for you on the other side with open arms. We will love you forever! Until we see you again! Love, Auntie Rhonda ❤️🙏*
