“ Josh, you were my cousin, I can remember everytime I would sleep over and me, you and Jacob would stay up past bedtime playing video games. Last time I saw you, you were 14. You were my bestfriend when I was little. I miss you, I love you. I wish I could have seen you once last time. Rest in piece love. Prayers to you're family. ♥

“ I was babysitting Josh when he was about 6 years old. We were swimming in his pool, and I had to take a toy from him. I put the toy up on the counter by the BBQ and got back in the pool. Josh jumped out and grabbed the toy off the counter. I said "Josh, you can't have that" and took the toy back and put it up on the roof of the patio. I got back in the pool, turned around, and to my dismay Josh had climbed 3/4 of the way to the patio roof! I was scared because I didn't want him to fall, but I was also super impressed that he made it so far.

*This speaks to Josh's tenacity in going after the things that he loved, and how important the people he loved were to him. I'll miss you cousin.*

“ *Bobbie, Jim, and Jake,  
We are so sorry to learn that Joshua has passed away and send you our deepest sympathy. Fond memories include the year the boys were selling cookie dough for a school project and Josh went over all the flavor options leading us to buy literally buckets of cookie dough. We hope that your own fond memories will help you through this very sad time. Valerie and Charley*

“ I have too many memories of Josh. You were your Uncle's best birthday present he could ask for! I still can't believe you're gone. Just knowing that you were supposed to be here at our house before you went to Missouri is just that much harder. I love you Josh, you will never leave my heart or mind 💔😭😭😭

Kim McCostlin - November 10, 2022 at 01:22 PM

“ Sadly, I don't have any memories to share but Josh, you gave my family and I a precious little angel. Olivia Rose Kinser. We love her more than words and will do anything for her. I will always remind her how much you loved her. I will make sure that she never forgets you. I am so sorry we never got a chance to get to know one another. Rest easy Josh 🙏

“ Joshua you were a handsome kid, I was awed by your athleticism even though we didn't always see eye to eye on things I loved you ... I'm sure you're trying to convince everyone in heaven to get a tattoo 🤔

“ Another life lost too soon. Josh I feel like your life was over before it ever even started. I grieve for you. I grieve for your parents and your brother. I grieve for your daughter who worshiped the ground you walked on.

*I remember you as a child when you stayed with us everyday. You were so full of life and energy. I am so sorry that you passed in such a traumatic way and I pray justice will be served in your name.*

*I pray for the ones who are aching that you left behind. RIP JJ. You were and are so loved.*
