“ My brother was quite a character- our birthdays just a week apart from each other, but i am the oldest of us 4 siblings. We liked to watch the same shows and then discuss them after, even when we were living together in the same house and just a room apart, we would watch them in seperate rooms, something my sis n law thought was odd, and laughed and gave us a hard time about. I was always there at their house at least once weekly, but i always called hm or my sis n law, just to talk. And went to have coffee or visit, even if just briefly. I'm going to miss my coffee visits brother, and hearing you talk mess to me. your one of a kind, i miss u everyday brother. your memory will live on through your kids and us daily. you may be gone but you will never be forgotten. We all love you.
