“ I was a classmate of Judy's at East Bakersfield HS. We met as freshmen and she was a true and loyal friend. She also had a smile that could light up a room.  
It was fun catching up with her at the reunions as we had many common friends. She often spoke with much pride of her family and marriage - and listened intently to others life stories. I was saddened to hear about her passing. We pray that you will be comforted by the great memories of your Mom, Wife, Daughter, Sister, Teacher and Friend.

“ Dear Hart Family,  
I fondly remember your family from Crestwood School. I worked in the office for many years and I always enjoyed visiting with your mom. She was always so upbeat and wanted the very best for her children! She was so helpful in PTA activities and I seldom saw her without a smile on her face. I would run into her now and then and she would always fill me in on her girls lives - always so very proud of you! I'm so very sorry your family is going through this difficult time but I know the loving memories you must have will help you through this time. My love to all.

“ What a shock. Judy and I went to East High together and have stayed in touch through the years. I last saw her in the fall and had no idea she was facing a battle with cancer. Just want to offer my condolences to the family and assure you that she will not be forgotten by the East High Class of '71.

*Matt, Kristin & Meghan...I am so very sorry for the loss of Judy. I so enjoyed Judy's enthusiasm for everything she touched. She was an amazing volunteer at Crestwood when our kids were in school together. Judy was always helping with the PTA and class events. Our family sends thoughts and prayers to each of you. We will be making a donation to the Divisadero School PTSA in Judy's memory so that she will continue to bless those she loved teaching.*
