“ *I had the pleasure of meeting Karl approximately 14 years ago. He was always a kind hearted and giving man. His smile, as bright and beautiful as his soul, lit up the room. You will be truly missed my friend. My heart and prayers are with your family during this tragic time. RIP Karl* ❤️🙏

Karl my love....I didn't get to say goodbye you know my heart went with you when the angels came for you...and took you so far away from me I need you baby where are you you were my ray of sunshine when my life was turned upside down...always there for me and others..your smile your touch..the way you held me and kissed my tears away..you always told me how much you loved me...just as I loved you and you promised to never leave me and if you ever had to it would be because you died or was killed that you would die loving me..you changed my life like no one had ever done..your heart was gold..your smile is what first captured me and I fell madly and crazy in love with you..you were my Cary Grant and Fred Astaire all rolled into one..your goofy nature I love so much..you were so funny.always making me laugh and cracking me up. and now you are gone from this life forever..just like that only in one moment..I don't know what I am gonna do without you...you are my greatest love...you lit up my life. I have just been wandering around lost and scared..but know this my darling when it is my turn my time...I will be with you and we will be together again..this is what gives me the strength to go on..please wait for me baby..my life will be forever changed without you here with me..I will never love another...for you were the one and only..the real deal baby..rest in sweet slumber ...I will find you...for you hold my heart...goodnight and I will meet you in my dreams tonight and every night til then...but I can not say goodbye or will I ever..I so truly love you...heart and soul...Katie Lynn...
