There's a special place in my heart for Susie. We lost our parents at a young age and shared a special bond. We have shared many many good times and tears together. Her love for her daughter, grand children, salon and doxie were everything to her and will be missed by so many. Rest In Peace little sister. ❤️ Barb Wacker (Barbie she called me)

“*Susie and I worked together for years at my salon The Body Works. She was very dependable and was excellent at the work she did. Her Family was very important to her. She would get so mad at me when I would get mixed up and call her daughter Angel, "April". It became a mistake we would laugh about. Susie also loved her pets. She loved Dachshunds (Doxie's) as I do. Rest in peace Susie. You will be missed. Love, Judy and Freckles*
