“ We are so blessed to see the outpouring of love for Nik thru the support shown. Her service was amazing from the church to the Cemetary & to the reception at the Wynham Hotel (formerly Holiday Inn). We all are very thankful for every single dish, flower & especially the love. Thank you all. Nik is missed by all who knew her. But remembered by our precious memories we each have of her. Her life was cut too short but what an impact she had on so many people!! Nik reunited family from different states who came for her. A special thank you to those who've traveled so far & pray for a safe trip back home. THANK YOU ONE & ALL!

“ When Nicole was a toddler she was caught eating sticks of butter & pure sugar! She was such a skinny girl with her big eyes. Her & her cousin, Justina were 20 days apart. They were more like sisters even as they grew up. They were planning their 40 birthdays. October 18th she would have turned 40. Instead of celebrating it with my daughter Justina & friends, she will celebrate it with the Lord. Nicole loved black clothing & black decor so don't be surprised to see her favorite things as we celebrate her life next Friday. I love you & miss you tremendously mija & will never forget you.
