“ Dear Tom and Frank,

I was so sorry to hear of Kay's passing. I have fond memories of her teaching me to paint and quilt when I was a teenager. I still have some of the art work as it meant so much to me. Your mother was so kind and big hearted. We wrote each other each Christmas for decades. When I didn't receive a letter this year, I knew something was wrong.

She will be missed.

“ Dear Frank and Tom,

Kenny and I were so very sorry to hear of Kay's passing. I remember how much I enjoyed working with her on soccer banners and visiting with her when we would run into each other at the store. She always had a smile on her face and her heart was filled with kindness and caring for everyone. I'm so glad I was blessed with her in my life.

We hope the many loving memories you have of her will help you through this sad time.

*Love,
Kenny and Cheryl Peterson*

“ Dear Frank and Family,

How very sad I was to learn of Kay's passing. Over the years, our community has been gifted with her generous interest in instructing and sharing her many artistic talents, privately, and in group classes in Visalia.

I have always admired her warmth and unconditional love for her family and her beloved pets, the "door greeters." Her naturally positive attitude and sweet humor will always be remembered as her greatest strengths.

May Kay rest in peace now with her son, John, in God's good care. Our deepest sympathy and prayers to her loved ones. Thank you for sharing her with so many of us.
