

Keegan Quinn Tripp

January 22, 2004 - November 21, 2024

Keegan Quinn Tripp passed away in a traffic collision at the age of 20, on November 21, 2024. Keegan was a beloved son, brother, grandson, nephew, cousin and friend.

Keegan was born on January 22, 2004, in Visalia, California to Don and Shamra Tripp. He was the oldest of two children. Keegan attended Visalia City Schools and graduated from El Diamante High School in 2022. After high school, Keegan attended the Tulare-Kings Fire Academy in cooperation with College of the Sequoias and graduated in class 21-42. Keegan subsequently continued his education at the College of the Sequoias where he was in the process of completing his general education and courses in Fire Science. Keegan recently submitted job applications to the California Department of Forestry and the Idaho Department of Lands in hopes of starting his career within the fire industry by spring of next year. While attending college, Keegan worked part-time at the Tulare Golf Course where his school schedule was accommodated, he was encouraged to pursue his dream of becoming a firefighter, and he was treated like family.

Although Keegan's time here was short, he managed to live a life that many would envy. Keegan centered his life around family, friends, music, and new adventures. He had a special and warm presence that left a lasting impact on everyone he encountered.

Keegan was preceded in death by his grandfather, Donnie Tripp. Keegan is survived by his parents, Shamra and Don Tripp, his sister, Addison Tripp, and

his grandparents, Alvina and Larry Denney, Callie Tripp, and Mary and John Acord. Keegan also leaves behind many family and friends who loved him dearly.
