“ I had the pleasure to meet the Matlocks's family four years ago when our daughters started playing Lady Heat basketball together. Keith was a joy to be around great father, husband and I can say friend. We would call each other from time to time to talk basketball and I have fond memories of that voice message, "DON'T WASTE MY TIME" Keith will be missed but never forgotten.

“ *Keith was a joy to work with. Great sense of humor and very kind to others. Things were never boring, sometimes downright exciting, like the accidental gun discharge. Oh well.  
I will miss you, Keith

“ My name is Valerie Stanford Reed Stone (the sister of Carole Stanford). So sorry to hear about his passing. I had the pleasure of meeting Keith at Rio Mesa High School. We used to sit at the lunch table with him and his buddy Walter Meadows and we all just have so much fun talking and laughing. He always talked about Body Building and going into the Military. He was always a gentleman. RIP my friend.

“ My name is Carole Stanford. I went to high school with Keith. He was always a funny, kind and big hearted person. I also ran into him years later at Cherry Point North Carolina during Desert Storm. I was in the Navy at the time. We connected again on Facebook. I was blessed to have known him during his short time on this earth.
