

Keith Leslie Moore

December 23, 1935 - September 20, 2023

Keith Leslie Moore, 87, of Visalia, California, sadly passed away on September 20, 2023 after a lengthy illness. He was preceded in death by his parents Ralph S. Moore (the father of modern day miniature roses) Ann E. Moore, and his sister Eleanor Moore Bergthold.

Keith graduated from Mount Whitney HS in 1954 and attended College of the Sequoias before being recruited into the United States Navy Seabees division on 3/56 - 12/58. Upon returning, Keith was employed with various odd jobs, eventually going into Real-estate where he worked for almost 50 years, first in sales then as an appraiser.

Keith was loved and cherished by many people. Those who knew him, knew just how talented he was with his woodworking and metal creations. One such piece is even housed at Texas A&M University in honor of his late father. After his stroke in 2009, while he couldn't actually do all the work himself, his ideas and love of refurbishing classic cars kept Keith busy. Keith had a love of life and was extremely positive in all aspects of his life. He attended First Christian Church regularly and enjoyed family gatherings. His weekly breakfasts with his buddies were one of the highlights of his weeks, even at the end. Keith always believed the best in people and never knew a stranger.

Keith is survived by his wife of 43 years, Marcia Moore, his daughter Debbie

O'Brien of Visalia (Travis), his son, Michael Moore of Wyoming (Diana), his daughter, Stacey Marshall of Visalia (Ron), daughter Melissa Meecham of Reno, NV (Pat), son Scott McElroy of Visalia, and daughter Michelle Glick of Visalia (Joel). He is also survived by his 12 grandchildren; Shannon O'Brien, Kelby O'Brien, Matthew Moore, Elizabeth Maynard, Hannah Moore, Nicole Jacobsma, Shane Marshall, Chris Meecham, Erin Schubert, Jenna Johnson, Jessica Glick, Zachary Glick and their spouses. Keith also has 13 great-grandchildren with another on the way. He is also survived by his youngest sister Mona Sorenson (Eugene, Oregon) and numerous nieces and nephews.

A Celebration of Keith's life will follow at a later date.
