“ Dear Pat and family,
Kent and I had so many conversations,,,,,,;most were of the humorous kind.; Many years ago you would find us playing basketball at the church,,,,,,;Just the two of us. All the trips with Pat and Kent and Starley; At least, we are filled with memories that will last a lifetime. We treasure your friendship more than you realize. We were very upset during your time of need; Starley sends her love and hopes that comfort may be with you during you time of grief,

We love you, Pat.

“ I was sorry to read about Kent's passing in our local paper. Please accept our condolences. Kent and I go back to the stock show days when we showed calves together around Utah. Kent was smart guy and mentored me when I first arrived at Utah State. I cherish the memories of that Era. May God bless and comfort you and your family at this difficult time.
