“ *I grew up with Kevin in Poway as teenagers. I remember him turning me on to Ozzy Osborne Blizzard Of OZ album when it first came out. I also remember taking his orange VW beetle off roading. We got it stuck in a creek and had water up to the floor boards. We finally got it home and about a week later, a bunch of the marijuana seeds that were imbedded in the carpet started growing in his car. Good times Kevin, I'll miss you. Michael DeVenere*
