

Kirsten Ann Wilson

February 14, 1974 - April 20, 2021

It is with great sadness on April 20th, 2021 Kirsten Ann Wilson, at the age of 47, went to her heavenly home after a short unexpected battle with cancer.

Kirsten Wilson was born to Janice and Kenneth Wilson on February 14th, 1974 in Visalia, CA. Kirsten graduated from Golden West High school in 1991. She had many jobs and many talents she accomplished leading up to the birth of her three children, Ryan, Ashley and Jordan. She raised three wonderful children with humility, respect, patience and discipline. She loved family trips, the beach, to cook like her mother and grandmother before her, and also to spend whatever time she could with her kids.

She was a beautiful soul, her smile lit up a room and her outspoken personality followed behind that. Her friends and coworkers all knew her as the person you could lean on. She was kind, gentle, and her love for her family and friends was everlasting. Her children saw her more than just a role model, they considered her their hero.

She is survived by her two sons Ryan Wynne and Jordan Wilson; her daughter Ashley Wynne; and her only grandchild Addison Wynne. Also, her sister and brother in law, Dione Mackey and Todd Mackey, two nieces, Katerina Mackey and Lily Mackey, younger sister Kathleen Wilson, and her father Kenneth Wilson. She is preceded in death by her beloved mother

Janice Wilson.

She will be dearly missed by her family, friends, neighbors, and coworkers.

“ I dated Kirsten's son, Ryan many years ago. I remember meeting Kirsten for the first time back in 2009. She treated me just like her own and opened her home to me with her great meals and a place to stay always. After 5 years, Ryan and I went our separate ways but Kirsten always stay connected. She always made sure I was doing okay and always was proud of me in some way. She made that known. I'd see her throughout the years by visiting her work and she always had a smile on her face that lit up a room. She still treated me kindly as if I was still around. When I found out she was sick, I couldn't imagine her passing on so soon. She will be so deeply missed by all who knew her. She was such a blessing to know. Rest in peace, Kirsten. I am so glad that you are healed and dancing in the arms of our Lord. Ryan, Ashley and Jordan; I am so sorry to hear of your mother passing. She loved you all so much and cared so deeply for your well being. That was something she always told me and something I will never forget about your mom. When she loved, she loved. Many prayers now and always.
