

## Kristy Ann Holton

June 15, 1972 - March 5, 2018

My beautiful daughter Kristy Ann Holton went home to be with the Lord at the young age of 45.

She loved life to the fullest, and fought all the way to the end of her life with her strong faith and always positive attitude.

Everyone that knew her loved her. Always with her hair combed and eyelashes perfect.

She loved her 49ers, baking and her car was always clean.

Kristy worked first at Kmart, then began her career job at Visalia Medical Clinic. It was there she met the love of her life, Nicholas Holton. Kristy's other loves were her nephew Ryne, and nieces Nicole, Emery and Avery.

Kristy loved family gatherings and giving presents no matter if it was a holiday or not. She helped many people out during her time here.

She will be missed by all of us, Mom, Dad, sisters, Melinda & Kim, her husband, Nick and all her family and friends.

Rest in Peace My Baby Girl. I love you MOSTEST!

“ Everyone who knew my beautiful sister Kristy would know that she is the most loving, caring, giving, and talkative person. She loved all her family and friends, and would do anything for them. She was the true definition of a big sister to me. She was my true best friend, my protector, and the person I trusted that I could confide in growing up. Kristy was not able to have children of her own, but she was a mom to all of us. She was not only a terrific sister, but an amazing Aunt! Her nephew and nieces loved their Aunt Trissy like their second mom. They all know that Aunt Trissy would do anything/everything, so that they were happy/spoiled.

*Kristy will be greatly missed! As of right now, I feel the biggest void in my heart whenever I even think that my big sister will not be growing old with me. That when we take a sibling picture we will never be “all in order”, until we see you again.*

*I am thankful that I do have 45 years of great memories of my sister Kris and I together; They will be my biggest treasure!*

*I love you Trissy! I love you the mostest to infinity and beyond! 🥹❤️*

“ *Kristy, I was your neighbor for 30 plus years. I was able to see you talk with you laugh with you as the years passed. I loved seeing you, beautiful at your wedding marring Nick and when you come to visit your mother. I know I regret not getting to know you better and I told you to late. I know that you were a very strong person, you tried your best to beat the odds. Kristy you were friendly, kind, giving person to have known. The Lord gives us time on this earth then he calls us back for he now needs us. Know you are in good hands with the Lord and we will be seeing you when he calls us.*

“ Kristy, I love you so much!! I keeping thinking about you and all the memories we had growing up. Some of my favorite are driving to Taco Bell with you and Kim in your tempo and you singing along to LL Cool J then, telling us it was our turn to sing ♪♪ haha. Also, all the Black Friday craziness, remember when that lady was mad at me because I got the last Mickey stocking?! Lol, I know Kim and Melinda do! I'm going to miss your beautiful smile, radiant beauty and your phone calls to talk about the 49ers, the kids and just checking in to see how we're all doing. I will cherish all the memories we have together, you were always like the sister I always wanted but never had. But, I'll always consider you to be a "sister" to me. I know your no longer in pain and completely free now. Just know you'll always be in my heart. Give grandma and grandpa a hug for me and I'll see you again another day! I love you Kristy ❤️❤️❤️ #loveyouthemostest

“ *My Kristy was a Very Strong person. She was a Devoted Wife, A Beautiful Daughter and Sister, An Awesome Aunt and The Best Friend you could have. We shared 20 years of our lives as Best Friends, Employees of VMC, Patrons of Applebee's. I was with her when she met her HUSBAND NIC, been there from the beginning. We did our partying and clubbing days together. Then we GREW UP and I moved away but I was never more than a phone call away. We shared middle of the night phone calls, I will miss those times but I won't forget them.*

“ Kristy,  
I can't believe you're gone. I keep going through pictures thinking we need more of all of us and feeling like I can get them later. I definitely took time for granted. The time we had together, I will always cherish. I'm going to miss your everyday calls just checking in on us and asking me what I thought of *The Challenge* and reciting movie lines with you - like our favorite from *The Parent Trap*: “Haley, we're like sisters!” “Annie, we're like twins!” Haha. We have some great memories. I'm so glad we got to dress like the Sanderson sisters for Halloween. Life definitely won't be the same without you. You blessed us all with so much and always looked out for us. We now have the greatest guardian angel looking out for us. I love you with all of my heart, Kristy, and will never forget you. Until we meet again. . .  
Love your little sister,  
Melinda
