

Lana Lee Webb

August 5, 1941 - June 7, 2022

Lana Lee Webb, 80, of Visalia passed away Tuesday June 7th, 2022, in her home at The Lakes, cared for by her loving children.

Lana was born on August 5th, 1941 in San Francisco, to Leo & Wanda Bullock. She graduated from Jefferson High School. While she was attending Community College she met the love of her life, George Webb. They were married on September 4th, 1960, and were married for 58 years. They were blessed with four children, and eight grandchildren. She was survived by her children, Beth Henninger & husband Derek, Michelle Dolan & husband Kevin, Wanda Webb & husband Chris Dodd, Glenn Webb & wife Margie; Grandchildren Megan, Webb, Grant, Maddy, Owen, Helen, Ali, and Willow; Brothers Lee Bullock, Pat Potter, Mike Potter and Sisters Wendy Perelli, Sue Kelly and many close friends and family.

Lana was a supportive wife, cherished sister, constant friend and loving mother. Her family was the main focus her entire life and where she derived much of her joy and happiness. After writing many late night papers to help George graduate from Stanford, she moved to Visalia, where they settled down and started the family she always wanted. She worked at Bostich for a few years but when a pageant at her daughters school conflicted with work she walked out. Later she managed the family business, Webb Enterprises, until the day she passed.

Lana had a strong belief in the equality of all people and raised all of her children in the Methodist Church. She volunteered for many years at the Food Bank.

Lana loved spending summers in Lake Tahoe & traveling with her kids and grandchildren to Yosemite. Lana dearly loved her best friend, Carmel Conn, they enjoyed traveling the world together or just sitting by the lake reminiscing.

Lana was able to see everyone's perspective, offering solutions to any conflict. She was kind, generous and open hearted, loved by all that knew her and adored by her family and friends.
