“ Larry, or "Pops" or "Captain" as we sometimes called him, was our stepDad and later "Papa" to our children, too. He was loved by all of us. He was usually surrounded by kids, telling them stories, knock-knock jokes, Little Moron jokes and laughing before he could finish them, playing with them, or laughing at things they said and did. Trips to Disneyland, making and showing home movies, he just enjoyed us. I never knew him to be anything less than patient, kind, and gentle. He was a gentle soul and a gentleman and we all will miss him.

“ We remember the family gathering for your wedding, Clara, meeting Larry. It was a fun, memorable time! We know you had a lot of good times together. Praying for you and all the family and friends who loved him; sounds like he was a beloved grandpa and lots of fun during the healthier times. God bless you and give you peace and direction during this sad time.
