A man of "high regard" LaVern Richard Laney

June 5, 1942-February 25, 2026. This is a man who succeeded in all that he set out to do. "Give him a task and he could get it done." Always willing to help others when called upon for any need.

He stood tall and confident because he believed "I can do all things through Christ who gives me strength." This is what he believed and put his trust in Asking Jesus Christ to be his savior at a young age was his own decision that made him the man that he became and continued to be all his life. All others who knew him, believed and worked life with him held him in high regard and respect.

He was a son, brother, husband, father (dad), granddad, great grandad. We all loved him and felt so confident that he would be with us in all situations that life could bring. We could count on him in all times, anywhere. We knew he loves us unconditionally completely. We all were so glad that he was in our lives.

He has left us for a while and we will miss him so deeply and with great affection but we know we will be with him again soon because his God, Jesus, is also our strength and our source for this life and our eternal future.

We are giving praise to God our father who has shared this man with us all. Who has been teaching us as we go also. He has made our lives fuller and richer just living life with him. He was and is so loved.

Written by the love of his life, Catherine.

“ Vern is such a great blessing to me. His love for Christ blessed me deeply when we first met, he supported me in all ways in my walk with Christ and the ministry. He is a very special man to me. His struggle is over now as He loves God and all in Christ's very presence.
