“ My dearest Prima Emily and family,
We are still in shock over the sudden death of my Primo Lee. He was so respected and loved by everyone. You and Lee were role models for all of us. Such a loving couple who worked hard and always enjoyed life together and with family. When my Tio and Tia both passed away he became the patriarch and matriarch of the family. He will be missed by so many people. He leaves a huge void in our life's and heart but his memory will live on. He's now with the Angels and will forever be at your side because the Love you had for each other is like no other and everlasting.
God bless you and family
Love your Primos, Susie, Mary, Polito, Teddy and Manuel

To Emily Lara, I want to extend my sympathies to you and your family. I'm not sure if you remember me Emily but I used to work with Lee at Olson Bodies in the '70s. Actually, Lee took over my position when I left Olson Bodies which was Production Scheduler. Also if you don't remember me, Lee bought an electric organ from me many years ago. I have fond memories of Lee and the rest of the "Olson Bodies crew" from Visalia. I just moved back to Visalia in 2018 and one of my wishes was to be able to reconnect with Lee. I think the last time I remember seeing him was when I ran into you both at Sizzlers Restaurant about 20-25 years ago? I will remember Lee as always being a friendly, laughing, smiling, joking around good person. I truly am sorry for his passing and your loss and will pray for you and your family.
