“ *Lena and I worked together at the bank. She was a pleasure to work with and always fun to be around. Lena was very positive and always willing to help with whatever she could! There were 3 of the employees who drank the water at the bank (got pregnant during the same time) me being one of them. 2 of us having girls and Lena with her boy. We enjoyed being pregnant together and sharing a baby shower thrown by the other employees. Lena is a very special person and will always leave a footprint in my heart! Love you friend, may you no longer be in pain! Prayers to your family who will miss you dearly!*
