“ Leslie, your laughter, and smiles and love of slot machines are three things of many I will remember most. I knew where I stood with you and that was a total blessing. You gave Wayne happiness, and was like a second mom to me. One of my favorite things you told me once when I asked your opinion you said " Don't ask me, if you don't want to hear the truth" I will miss you lady, My heart goes out to Wayne and family, I know your loss was tremendous to them. I will do my best to look after Wayne, the love and support you both gave me during my tough times I will never forget. Love, Will Keenan
