Leslie Peak passed away on April 14, 2026, leaving behind a family and community who loved her deeply. She was a devoted mother to her three sons, Gavin, Dylan, and Rian, who meant everything to her and were always held close in her heart.

Leslie was a cherished daughter, sister, partner, and friend, someone who brought light wherever she went. She had a rare gift for making people feel truly seen and loved. Her smile was constant, her laughter contagious, and her hugs unforgettable. She loved to dance, to be outdoors, and felt most at peace in nature, among the trees, by the ocean, and connected to the earth. Her spirit was vibrant, warm, and deeply rooted in the beauty of the world around her.

As a registered nurse, Leslie cared for others with compassion, strength, and unwavering dedication. She touched countless lives through her work, offering comfort and care in moments that mattered most.

Leslie's quirkiness, fun-loving nature, beauty, intelligence, and vibrant spirit will live on in the hearts of those who knew her. She will be remembered for

Leslie is survived by her mother, Joy; her father, Steve; her three sons, Gavin, Dylan, and Rian; her fiancé, Jason Ford; her siblings, Stephanie, Jennifer, Brittany, and Michael; along with their loving families and a wide circle of extended family and friends who will miss her dearly.

“ To know Leslie was to know a woman of incredible spirit and warmth. She was witty, passionate, and a true ball of fire who never did anything halfway. In the ER, she was the partner you always wanted by your side—someone you could count on for guidance, support, and a laugh exactly when you needed it most. Leslie had a rare gift for reading people; she knew exactly when a teammate needed a moment of grace (or a sour gummy worm) and exactly how to make a scared patient feel safe. Watching her hold a patient’s hand, you could see the depth of her beautiful soul. She poured her heart into her work and her friends, leaving footprints that can never be erased. While her loss is deeply felt, the light she brought into our lives and the 'craziest of shifts' will never be dulled. Rest easy, sweet lady—until we meet again.
