“ *Darling Lety,
I can't believe you have gone from my life after finding you such a short time ago. You brought much joy and pleasure to me from our contact. I have such sad regrets that we did not get to meet each other but feel a closeness to you anyway. I am glad you are no longer suffering but it seems so unfair. I admire your bravery and positive outlook and love for your family.
Love and condolences to my brother David and nephew DJ and the rest of Lety's family.
