“ *I'm so sorry to hear of Crickett's passing! She was my teacher at the hospitality school on Oak Street and taught us all so much! I always had trouble spelling, especially the word "restaurant". She would tell me over and over again "REST A U RANT"! To this day, I still remember how to spell that because of how she taught me. She was smart, beautiful and so funny! Even walking around the block with our trays full of glasses, she was always supportive! My condolences to her family & friends. She will be missed! ❤️❤️*
