My sweet childhood friend, Linda. We were just littles when we met and become friends in the second grade at Pleasant View Elementary school. We spent summers hanging out , doing girlie things. Time passed and I married a career military man, Linda was my maid of honor, I moved away and never moved back to the area. We lost contact for a number of years, but never forgot the memories we shared. We would reconnect at our Porterville High School Reunions every 5 years. It was as if we had never been apart when we got to visit again. I will always remember Linda as a sweet, kind and classy lady and a dear friend. To her family, I send my deepest sympathies and I know how much you will miss her. Until we meet again my friend, Rest In Peace †
