

## Linda Corine Mendenhall

July 22, 1955 - January 24, 2021

On Sunday, January 24th, Linda Corine Mendenhall, loving mother of four children, passed away at age 65 surrounded by her loved ones.

Linda was born on July 22, 1955 in Bakersfield, Ca. to Luis and Maxine Gutierrez. Linda had an immense amount of love for her children. She was known for her love of travel. Never one to stay in a single place for too long, friends and family would often have to ask for her correct address before sending anything. Nine times out of 10, she was at the beach relaxing and living her best life. Her smile could light up a room and she always knew what to say to make someone feel special. Linda would literally give you the clothes off her back (or shoes, or jewelry, or purse), all you needed to do was say you liked it.

Linda was preceded in death by her Mother, Maxine. They will now be in heaven together having yard sales and gossiping in spanish daily. She is survived by her father, Luis Gutierrez, her four children; Leslie (Arthur) Kopp, Cindy (Joshua) Malone, Matthew (Dylan) Mendenhall and Taylor Mendenhall, her sisters Chris Dall and Laura Cowett and brother Arthur Gutierrez. Linda is also survived by her 10 grandchildren (Samantha, Alexys, Hannah, Blake, Luke, Leia, Theodore, Colby, Bradley and Andy), several nieces and nephews and so many loving cousins, Aunts, Uncles and special friends that meant so much to her.

A celebration of life will be held at a later date.

Services have been entrusted to Salser & Dillard Funeral Chapel. Memorial Tributes and condolences may be offered by logging onto [www.salseranddillard.com](http://www.salseranddillard.com).

“ Thank you Laura for posting this beautiful picture of Linda Lou. ( that's what I always called her) I never knew her middle name was Corine? Beautiful!

*I must confess that I was always jealous of the gap in her front teeth. So cute :-) It always reminded me of Lauren Bacall. Look her up on Google if you don't know who she is.*

*I am beyond blessed and grateful for having known Linda. I never physically saw her much as our worlds were very different and our homes hours away from one another, but whenever we talked on the phone, it was like no time had passed us by. We always just picked up where we left off.*

*Her passing has left a hole in all of our hearts but at the end of the day she is with Maxine and all of the Family that has gone before her. Thank you Matt and Dillion for being there for her at the end. God Bless.*

*Laura and Art, thank you for including me throughout Linda's Journey. I am sooo very grateful to have had the opportunity to say goodbye when she was still up for that. It means everything!*

*Love to all of you that knew her!*

“ *I had the best memories of cousin linda. I used to stay with her a lot. One time I stayed with her she was making clam chowder. When I opened the can of clams and thought they were rotten so I immediately threw them down the sink. She looked at me and said “ohhh Lizzie” I always felt so happy and comfortable staying with her and I am so devastated my beanie is gone. She is with our family now. I love you and will one day see you again. Love Lizzie Flores*
