“ Dad,

Thank You for being the most amazing man that I know and for being my Dad. It's hard to believe you're gone. I am sad but happy and find great peace knowing that once again you are with Mom, Grandma Opal and Grandma Pearl.

I am so grateful for all the love and guidance you have given me over the years and for just being there for me. I truly am blessed and I love you so very much.

You are truly the best Dad and PaPa! Fly high Daddy. I love you!

Patti
