“ I remember all the times that Lori, Lisa and Stephanie spent at my home with my daughter Kari. I still picture them as the children they were then and am so saddened by the passing of Lori and Lisa. I try to put flowers on Lisa's grave, as she is buried near my grandparents; hopefully I can pay the same respect to Lori. May both Lori and Lisa be at peace. My thoughts and prayers go out to the entire family. Christine Burnett

“ *Lori, a beautiful young woman full of life. She loved her children more than anything in the world. I was so happy that I became the grandmother of her two younger children Jace and Paislee. We shared some wonderful times together over the years, times I will never forget and always cherish. If you knew Lori well, you would know that she had a beautiful soul. Lori will always be in my heart and as I look at our children's face I see her. She will always be here through them and she will never be forgotten. Love you always Lori-Gamma Judy Mullins Cornett good❤️*
