“ I had the pleasure to work with Jean for 16 years. We became the best of friends during that time and remained so after our retirement. She was one of the most caring, sweet and loving person I had the pleasure of knowing. She was always there and we had many many wonderful times together. Birthdays, holidays and just good times reminiscing about old times. Even though we moved away we stayed in touch and she was always in my thoughts and prayers. Rest In Peace, wonderful friend.

“ Jeanne was such a special lady. I could not have asked for a better sister-in law. From day one she welcomed me into her family and we had a very special friendship. We called each other every week and I miss our conversations so much. She loved her family more than anything .She was always friendly, warm and caring. She will truly be missed.

“ *There are some people that really touch your life and my Aunt Jeanne was one of them! She never forgot my birthday or other special moments.....we have had some of the most special conversations and I will surely miss that so much! I remember all of the Carmichael's from Charlottesville, VA to Van Nuys, CA to Fremont, CA and eventually Visalia, CA. Aunt, you raised three of the most special children, my cousins, who I have the ultimate respect and love! Thank you for always being there for me and being such a special example of a true "Lady" to all of us. I will truly miss you..... Dave*
