Lynnette was born on September 22nd 1945 to Alfred and Martha Wladyka of Van Nuys California. At the age of 15 her family moved to Ivanhoe, California. She graduated from Redwood High School in Visalia. Lynnette was such an amazing soul. So creative and talented always knitting, sewing, crocheting and painting. She love decorating for all the holidays. During Christmas she always had an ornament for everybody in the family hanging. She could take anything and make it better. She loved her family and was always watching a grandchild or two. She left many memories with her family. She loved going to dinner and the movies with her sister Darlene. She enjoyed the company of her favorite sister-in-law Marsha. She loved her big brother Chuck more than he knew. Her children fondly remember their camping trips at Lake Kaweah and yearly trips to Disneyland with Grandma Marty. She loved going on drives up to Three Rivers . She enjoyed going to the beach and she got one last trip in July with her family. Her grandchildren remember all the special rhymes she taught, books she read and blankets she crocheted. Even in her final moments she was feisty and told you what she thought. She always had a great sense of humor. Lynnette loved her children and grandchildren dearly. Her greatest joy was seeing her family grow. She spent her last birthday doing just that enjoying her family. She sat there as "her choir" sang her happy birthday not once but twice.
