Malcolm Gordon Dutch 5/7/1956 - 2/5/2021

Our beloved Malcolm left earth and was called home by our Lord to Heaven on the 5th of February. He leaves behind his wonderful wife Sandy, and three children: Amelia, Trevor, and Gabriel. He also leaves behind his sisters Brenda, and Andrea, and a large extended family. Malcolm was born in Auckland, New Zealand to Donald Gordon Hewitt Dutch and Alma Georgina Priest Dutch. Malcolm came to the USA in May of 1976. He first settled in the Bay Area where he met Sandy in 1984. They married in 1989 and moved their family to Visalia in 1994. Malcolm was a skilled craftsman builder and was always passionate about building quality homes. This passion for building continued when he opened his GJ Gardner franchise, the first in the country, in 2004. Malcolm had a loving heart, bigger than life personality and exuded kindness to all he met. Malcolm always went out of his way to help those in need, no matter their circumstances. Malcolm was constantly involved in his children's sport and extra-curricular activities. As well as being a family man, he served on the board of Habitat for Humanity, served on the finance committee for Visalia United Methodist Church, and was involved in the Breakfast Lions Club. We will miss Malcolm every day, but he will live on in our hearts forever.

“ I knew Malcolm through his service as a volunteer and board member of Habitat for Humanity. He was a hard-working man who was often the last person to arrive at the board meetings after putting in another long day as owner of GJ Gardner Homes in Visalia. Yet, he showed up prepared to contribute insightful questions and practical suggestions. He was always ready to literally roll up his sleeves and make a difference to our organization and the families we serve. He was committed to Habitat’s mission of a “hand up” to those needing a decent place to live. I am still trying to wrap my mind around the fact that Malcolm will not be at the next meeting of the Board of Directors. While we celebrate everything Malcolm was to each of us, I will miss his infectious laugh and distinctive New Zealand accent. Most of all, I will miss his friendship.

“ Malcolm and I were huge competitive squash players. We played almost weekly for many years-he taught me a few tricks and I hope I taught him some. When I started beating him he stopped teaching me...hmm wonder why? We had great matches playing at the Visalia Racket Club and I think we were both instrumental in boosting the love of the game to others. My family loved being invited to the Dutch's for 4th of July as we would sneak out and watch the free show of fire-works that the country club hosted yearly. I enjoyed being called his "mate" and will remember this "bloke" forever. My condolences to the Dutch family- your husband Sally was a gentleman of note.

“ I am so sad to hear of Malcolm's passing. He was much too young. I think of Malcolm at Camp Mather playing with Amelia and Trevor! The third was soon to be arriving. He had a larger than life gentle giant personality and a friend to everyone. Hugs from Carole and Jeff Brown

“ Sandy, Amelia, Trevor, Gabriel, Brenda and Andrea,

I am so sorry to hear about Mal. It was so sad to learn of his passing. Mal was my friend for a long time. We knew each other in primary school, played rugby together, hung out in high school, then partied like rockstars in our teens and early twenties, in fact we were reciprocal wing men around the nightlife in Auckland. So many memories in Mt Roskill, Auckland, and of course the Bay Area. He was my best man when I got married, we ate bbq ribs and did shots of tequila in the vestry while waiting.....Mal was my mate. He was a great guy, funny guy, always up for a laugh. Great woodworker too. He started that early, converting his parents basement.

My deepest condolences to you guys, I know how much he'll be missed.

Manuia lau Malaga uso, (blessed travels brother).

Regards, Ian Stowers.
