“ Remembering you Manuel had some good times when we were younger, crazy! The classes we were in growing up, the field trips to pismo beach to the party at my house you and huerta had showed up! Good times. Its your celebration now. The celebration of your life. Rest easy friend, you will be missed. And thank you for leaving us some great memories. Fly with the angles.

“*Manual was a good guy and trustworthy friend in the small town of Woodlake. I got to know this cool, calm man all the way from elementary through high school, and til now. Will always remember you bro. I'm glad he was pressing into the only savior of souls, Jesus. He was a true believer, and feared the Lord, but didn't fear death. May you rest in His presence forevermore.*

John 3:16 ESV

“For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life.

ETERNAL!!!!!!
