Manuel Garcia (Obituary)

Manuel Garcia born 9/20/76; a loving husband and father to a family of four beautiful kids. Manuel enjoyed spending time with his family, taking his kids to the park to play ball, taking long naps, and enjoyed his crisp white Pro Club T-shirts. Anyone that knew Manuel would tell you about his radiant and contagious smile; anytime he said "Hi" to anyone it was with a big smile and an awkward laugh (I think it was his nervous habit). He was always grateful for his loving and caring siblings Amalia and Luis; his mother Gloria always gave him endless amounts of love and he always had her full support; Manuel never let them forget how much he loved them. Manuel grew up in L.A. and always loved to share stories with his kids about his memories and experiences. Manuel was a very hardworking man and took pride in working for US Towers as a forklift driver for 5 years. Manuel was taken to rest on 6/24/20; his contagious smile, big bear hugs, and caring heart will be missed dearly. He will forever be in the hearts of those who loved him and will be remembered as the hardworking, kindhearted, and loving man he was.

“ Manuel and I worked together and he was a great friend. We worked together in Texas and forged a friendship in the summer of 2017 while working in some extreme conditions on the south Texas border. Long days and very hard work Manuel provided with no complaints. When given a job to do, Manuel worked at it and gave it his all until the job was complete. Manuel was a dear friend and I will miss him greatly. I live in Alabama and Manuel and I would send text messages to check on each other. I just cannot believe he is gone. I last communicated with him three days before he passed and I just cannot grasp he is gone. Farewell my friend. I will always remember the good time we had working together.
