

## Manuel Perez

November 11, 1982 - October 18, 2021

Manuel Perez passed away on October 18, 2021. Manuel was born on November 11, 1982 in Los Angeles, CA, to Jose and Maria Perez. He was married to Olga Chavez and had two beautiful children, Manuel Jr and Kamila Perez.

He was Lead of Operations at Millipore Sigma, a company he really enjoyed working for. He was family-oriented, he always tried to be fair and keep everyone together. He was loved and respected by everyone who was lucky to have met him. He was always there for you. If you had a question, he had the answer. If you needed advice, he also had that for you. His love for cars was out of this world. His visions and creativity when it came down to fixing one of his cars was incredible, and it was amazing to listen to his unique ideas.

Manuel is survived by his wife Olga, their 2 kids, Manuel Jr and Kamila. His 4 siblings, Daniel, Jose Luis, Eric, and Karina, along with his parents, Jose and Maria.

Gone too soon, but always in our hearts. Goodbyes are not forever and are not the end. It simply means that We will miss you until we meet again.
