“ *Marcelyn R. Juedes who those who were closest to her called Aunt Marcie..She was my great aunt but was always more like a grandma to me and my sister and a great grandma to my kids and my nieces. She was so thoughtful, caring, and completely selfless. There won't be a day that goes by that I don't think about this amazing woman. I love you and I miss you like crazy Aunt Marcie. Rest in peace with no pain in heaven :)*

“ *Aunt Marcie was selfless. She loved her family more than anything. I was blessed to have known and loved her. She always corrected my grammar. :-)
I will miss our talks and her singing to me.*
