Margaret "Margie" Gomez

July 15, 1945 - November 28, 2024

Margaret "Margie" Gomez, 79, passed away peacefully at her home on November 28, 2024. She was a beloved mother, sister, grandmother, great-grandmother, and friend. Known for her friendly personality and sharp wit, Margie was loved by many. She had a special preference for being called "Margie Gomez" or "Grams," never "Grandma."

Margie found joy in the little things—shopping at DD's, capturing memories with her camera, frequenting the casino, where luck always seemed to favor her. She was generous and had a warm presence that surrounded her. She will be dearly missed by so many.

She is survived by her daughters, Renee Sanchez (Richard), Gina Hernandez (John), Christina Ramirez (Steve), and Diana Chavez (Daniel); grandchildren Jesse, Justin, Jerry, Jacob, Steven, China, Jason, Cassandra, Joshua, Isabella, and Emily; great-grandchildren Zoe, Josiah, and Marley; brother Danny; Sisters Eloise and Josie; and her adored fur babies, Niko and Baby Kitty. She was also deeply loved by her best friend of 48 Years, D.

Margie was preceded in death by her parents, Vincent and Emily, and her

brother, David.

Her legacy of love, laughter, and light will forever be cherished by those who knew her.

“ *Our prayers and thoughts are with you, love your old neighbors Rick and Angie Allen. Our memory of Margie was when we would have neighborhood yard sales and she would come over and practically buy us out! She was always so funny and happy, we would laugh all the time when she came over. And she always knew all the scope of what was happening on our little circle street. Margie will be missed, she was a very special lady and so blessed to have called her a friend.*

“ *There are still no words, only an overwhelming feeling of loss from the village Margie has created. Margie always talked with love and laughter. She captured what real family values are. More of a grandmother to me than my own. For over 10 years I've been blessed to see how connected and tight knitted this family is. I would not have my Bucky if it weren't for you Margie, and I'll never stop thanking you. I am grateful to be apart of this village you've made. We all will carry you with us until we meet again ♡*

“ Gina, Christina, Rene and Diana....I'm so sorry for your Loss of your dear mother Margie! She used to give me and Mike a funny hard time when we would ride our bikes to your house on Laurel St.and she would come outside and just lay into us with that straight forward sense of humor! Margie would just speak her mind and never changed whenever I met up with her around town. She was always kind to mealways! God Bless you all and your families during this very hard time! Your Friend....

“ My condolences to all of Margie's children. Margie was a very kind person. I met her when Christina was pregnant with lil Jerry. She was a wonderful person and I will certainly miss her. I always believed that her and I were the same age. I was Shocked when I read her obituaries that she was 79 years old. 9 years older than me. She didn't look a day past 70. Margie was also a beautiful woman just like her mommy and daughters. I pray you all turn to each other for confort. Praying for all of you especially all of her gorgeous daughters. May God hold each and everyone of you in his arms. What a loss. I'm truly sorry. Elia Galindo Gonzales.

I am so very sorry to learn this news 😭😭 I don't recall how many years I knew Margie we met at Walmart. She set me straight the very first time I talked with her, two of her grandchildren were with her and she was shopping in jewelry dept. and I mentioned to her that her grandchildren were right around the corner from her she turned around and said what did you just say!! That is a no no my name is Margie Gomez and don't forget it! I looked at her a lil confused as she just laughed. From that day on every time we seen each other it was a hug and we wished each other well. What a great friend. Sending my condolences to all the family. Rest in peace my dear friend MARGIE GOMEZ 💔💔💔

“ Mother, you have no idea the huge void that is left in my heart. I can't even begin to explain the pain I'm feeling knowing I won't see you, talk to you, invite you over to watch the Cowboy games with us or receive one of your audio text that make no sense whatsoever. How I would give everything up right now just to bring you back. The only thing that brings me comfort is knowing you are no longer in pain. I love you Mother forever💔😭.

“ *Margie was the most caring Grams out there. Anytime you walked into a room that she was in, she would right away stop what she was doing, to greet you, no matter who you were. She made all of us feel like we were special, even if it was just a greeting. She was funny and had a pure heart of Gold and she will forever be missed by many. Rest in Paradise Margie Gomez, we love you!!*
