“ My heart is heavy..  the loss of a wife, mother, grandmother and great grandmother is a pain no one should have to go through. My thoughts and prayers are with people who are like family to us. God will carry you all, through this difficult time. Give it all to him and he will give you rest. There was a miracle that happened, Jesus took your mom to Heaven. She is in a place that we can only dream to be. She will only know joy, peace, love, all the good stuff. She will only smile and never cry, never know any pain. One day you all will be with her again, but for now she will be the Angel that watches over all of you.....

Thank you Lord for her life. Thank you for taking her home. I ask that you give the family the strength and peace to endure the pain that will stay a lifetime. Thank you for the memories they get to keep. You are so good, God. We know you needed her with you. I pray a peace for her family, I pray you find comfort in your word, knowing one day you will see her again.      

My prayers and condolences for my dear friends family with their loss of a sweet angel my God bless you and comfort you all.
Martha, Cruz and family we love you.
