“ I was fortunate to know Marian as my sister-in-law who was also a loyal and faithful friend for the past 50 years. Living a thousand miles apart did not deter us from staying connected. She frequently visited her Gross family and we enjoyed many vacation trips together. I looked forward to our weekly telephone conversations and that's what I'm missing the most. My condolences to Jim and the Erbele family as you adjust to life without her physical presence. Thankfully, I have the memories of the good times we shared and the comfort of our Lord's promises that we will meet again in heaven.

“ I know you always said that we didn't have to call you Grandma - but you really were the best Grandma! Always there for us and overflowing with love and encouragement. I know Grandpa's life will never be the same without you and neither will mine. I just hope you know how much we loved and appreciated you! Love you, Grandma. AB
