

Maribel Jimenez Garcia

July 15, 1980 - February 18, 2021

Maribel Jimenez was born to Cresencio and Maria Jimenez July 15, 1980 in Tulare California. She passed away peacefully on February 18, 2021 at the age of 40 in Visalia California. Maribel is survived by her parents Cresencio and Maria Jimenez, 2 brothers; Cresencio Jimenez Jr and Juan Jimenez, 3 children; Karissa Jimenez, Andres (A.J) Jimenez, and her baby Marissa Jimenez which she loved and adored very much, as well as her only granddaughter Amayah J. Martinez which was very special and precious to her, and many nieces and nephews. Maribel was a special person in her own unique way. Those who knew her know what I'm talking about.

She was known as the life of the party to many. One thing people didn't like but respected her for it was, she would speak her mind without holding back even if it hurt your feelings; she kept it real, always. Most importantly Maribel was known to many as a fun, kind, loving person with a huge heart not only with her family but with those she chose to call friends. If you were her friend you knew that you had a true and loyal friend to the end. If you were in need of something and Maribel had the ability to help you out, you could definitely count on her to help you out with no questions asked. Maribel would literally give you the last dollar in her pocket and the shirt off her back if you needed it. She would go without so that others could have. She was most definitely taken from us too soon. She is loved by many and will be dearly missed.

I went to high school with her. Kind of shocked to hear. She was always a super nice person. Way too young to go.
