“ I served in the US Air Force with Mark, first meeting him at the Presidio of Monterey in 1970. He could really make a person laugh! The first time I met him after service was in Honolulu, Hawaii. He turned out to be a great help, as I left some of my luggage behind, and he had it shipped to the States for me. We shared some mail over the years. He was a unique person. We'll miss him!
