Mark Fielding Hash

It is with great sadness that we announce our dear husband, father, and friend passed away on March 20, 2021. He is survived by his wife, daughters, mother, brothers, sister, nephews, and niece. He was born in Visalia, Ca, attended Mineral King Elementary School, and Redwood High School where he participated in sports. After attending College of the Sequoias, he worked in the AG-Industry for most of 45 years. He loved to plant a huge garden and spend his days outside taking care of it. Mark had a green thumb and could grow anything. He was always making sure everyone had fresh beautiful flowers to brighten up their home.

Mark had many other passions such as fishing, traveling, and was an excellent woodcarver. He made some beautiful pieces that he shared with his family and friends. Mark also loved his dogs that traveled everywhere with him.

We will miss his laugh, smile, and sense of humor.
