“ Family & Friends...I just heard about Martha's passing. I am so Sorry for your loss. I had the honor of getting to know Martha for the past 5 years thru our professional rolls and myself as patient as well. She always greeted me with a smile & very caring. I often shared photos & stories of my Life with her and we always commented each other on our hair do's & fancy nails. She always had a beautiful Glow about her when she shared about her handsome sons. Shes was beautiful Inside and out. She had such a tender heart. She will be missed. “ To ALL of Martha's family I would like to offer my deepest condolences and loving prayers during this difficult time. Martha will always be remembered for her crazy laugh, beautiful smile, loving heart and for always being an amazing friend and mother. Even though I'll miss my friend, I know to see her all I have to do is look at her beautiful boys that she loved and treasured. God Bless you all and know that there are so many of us that share your sorrow and pain. Together with the help of God we can get through it.
