“ My condolences to the Garcia and Candelaria families. My name is John Garcia and my brother is Nick Garcia. We grew up with Little John, Albert and Gilbert Candelaria. Well my brother and I both worked at J C Penney in the Eastridge Mall in San Jose, CA where Mary was a hairdresser. Nick worked there first and met Mary before me. I worked at the Package Pick Up Department in J C Penney where all the employees exited. I had never met Mary until one day she came through after her shift. Here comes this jovial woman who sounded like Carmen Candelaria and looked like Carmen. I thought to myself this must be the Candelaria's Aunt Mary. I introduced myself and told her my brother was Nick. Nick must have made a good impression because she always asked about Nick. I remember from then on, she was always in good spirits and the life of the event she attended with her family.
