“ *My grandma is in heaven shinning Down on us, she is in the arms of our creator as she went to be with him on Holy Week! He knew she was getting tired as her golden heart stopped beating, she took her last breath and entered the golden gates! She will be greatly missed by all her children, and many grandchildren! She was a beautiful woman and showed us all how to be strong and she also taught all of us to pray and ask God for forgiveness! She always instilled that in everyone! I will miss her and all her stories, and yes I'll miss her feisty lil self! She is now free from everything and no more worries! I will keep my promise grandma don't you worry! Thank you for all the memories we shared and Thank You for having my father and giving him life, thank you for showing him how to me a great man, father, husband, and grandfather! Cause of you he's the man he is today!  
Te Quiero Muncho grandma!!*
