

Mary Meja

June 5, 1923 - December 29, 2020

Mary Louise (Mary Lou) Meja 97 left her earthly home Tuesday, December 29, 2020 and entered eternal life and is now in the presence of her Lord and Savior Jesus Christ.

Born June 5, 1923 in Anaheim, California. She was the second eldest of her beloved parents Hilario & Helena Meja. Mary was a toddler when her parents moved to Tulare County, finally making Woodlake their permanent home, where she attended school. When Mary was a teenager she was very active in the Apostolic Church with the youth as her parents were pioneers of the Woodlake Apostolic Church.

Although Mary never married or had children, she became the Matriarch to the Meja family. She decided early in life to honor and care for her parents until they both entered eternal life.

Mary worked and retired from Sun Pacific Packing House where many knew her as "Lulu". She had many friends that loved her. Mary lived a very humble and content life. She loved reading and singing hymns, always sharing her faith in God and always praying and interceding for those in need. She was a believer in giving. She supported and donated to many ministries to promote the Gospel. She was always ready to give or help someone in their time of need. Her friends and family will miss her many long conversations by phone since Mary didn't drive.

She was preceded in death by her beloved parents, siblings Elizabeth, Eddie, Frank and Alfred Meja. She is survived by brother Raymond Meja (Ramona)

of Visalia and numerous nephews & nieces all who she loved dearly. Mary was an amazing, loving, kind and gracious person and she will be greatly missed but we are reminded as she said "we will meet over yonder on that beautiful shore".

Visitation will be Tuesday, January 26 from 4-7pm at Salser & Dillard Funeral Chapel. A Celebration of Life Service will be Wednesday, January 27, at 10am at Salser & Dillard Funeral Chapel followed by Interment at Woodlake District Cemetery.

“ My father’s sister became our matriarch. She spoke with a cadence like my grandfather which linked us all to their roots. My grandfather was from Toluca and my grandmother from San Luis Potosí. As a little girl she was my babysitter while both my parents went to work. My tia knew all of her nephews and nieces. She always asked about our kids and took pride in their accomplishments as adults. She said their achievements were Mejia achievements. You instructed me to keep my parents legacy. I promise to do that. We will miss you tia.
