“ Hi friends and family of Mary Tamez,  
I meet Mary at Crowley School in Visalia, CA  
although we both began our teaching careers  
in Lindsay the same year---the same day, and  
we never met there.

A few years later, Mary taught 4th grade next door to me at Crowley. She was an instant friend and fellow teacher. We helped each other, shared teaching strategies, and praised the Lord and prayed together whenever we were able. Yes, she was a happy sweet lady that looked to Christ daily for strength and guidance. He was at the center of her life---ALWAYS!

She left us too quickly. It really hurts. She was only slightly older than me. 😭 Her last days were cruel. I guess God called her home because it was time for her to receive her reward. She has gone ahead of us to the best and perfect place....to be with her Lord and Savior Jesus Christ in a mansion just over the hilltop. She deserves the best, and she is with her dear loved ones that went before her. She now knows the joy and wonder of glory. But, I miss her and I know her family is still suffering her loss. No more calls, or visits with laughter, and no more delightfully baked cakes that only Mary could present! No more homemade tortillas made with love for family and friends.

Today I am sad and happy at the same time. Sad that Mary is not here to spend time with---and glad that some day soon I will see her and others that are in heaven. And there will be shouting, praising, and celebrating. There will be the biggest most delicious cake prepared by Mary for all to enjoy, with laughter, and oh will there be peace. That will be heaven...

“ Mrs. Tamez was a blessing and a great source of encouragement. I had the privilege of having had many discussions about work, family and the Lord Jesus Christ with her. Thank you Tamez family for sharing her with SATF prison. She will be greatly missed.

“ I fell I love with Mary the very first time I ate one of her red velvet cupcakes. Her joy for the Lord was so contagious, it was hard not to smile with her around. Her love and generosity pour out still through the beautiful family she raised. She was a beautiful Godly woman who will be greatly missed, but her friendship and the mark she made in this earth will forever be treasured.

“ My name is Debbie Villarrial, i worked with Mary at SATF in Records and she was a true joy to be around. She was full of joy and always sharing her faith in the Lord Jesus Christ and spreading love where ever she went. It seemed like she would come back to my desk and give me one of her heartfelt hugs and her beautiful smile right at a time when i really needed it. I would ask, how are you doing Mary? She would always say "I am blessed and highly favored in the Lord. She was a great friend and sister in the Lord. I will truly miss her but i know that she is singing with the Angels. God bless all of her family and know that you are all in our hearts and prayers for God's peace to reign in your hearts. Love in Christ Jesus, The Villarrial Family
